The authors Rajput S.G., Wable K.J., Sharma K.M., Kubde P.D. and Mulay S.A., have requested the retraction of their article titled "Reproducibility testing of RAPD and SSR markers in Tomato" which was published in Vol. 5 (2), pp. 108-112, 16 January 2006 from the journal's website and publisher's database.

The retraction is based on the fact that company has asked me to retract this paper from journal's website and publisher's database since it is giving business inputs to their competitors.

Rajput S.G. is deeply sorry for any inconvenience this may have caused to the editorial staff, readers and co-author.

In an effort to stop the distribution of this publication and the data contained therein, African Journal of Biotechnology is retracting the article in its entirety with the consent of Rajput S.G.
