**AJCE: HAPPY 8<sup>TH</sup> BIRTH DAY!**

Temechegn Engida

Email: [temechegn@gmail.com](mailto:temechegn@gmail.com)

Dear AJCE Communities,

It gives me great pleasure to inform you that our Journal, AJCE, has just become eight years old. As a result, here is its first issue of the 8<sup>th</sup> volume. As the founding and current Editor-In-Chief of the Journal, I would like to say happy birth day to AJCE. I am sure you join me in congratulating AJCE.

As part of our future strategy we will continue our ongoing efforts to offer publication space to special issues associated with conferences and our intention with new engagement is to broaden the scope of special issues to include papers that are presented not only at FASC events but at any chemical education event, pending to the fact that the organizers request us to do so and that the papers meet our editorial standards.

So please feel free to contact us should you have such intentions.
