The Editors and Publisher of the International Journal of Medicine and Biomedical Research would like to inform the readers that the following article has been retracted from the journal:

Khaki-khatibi F, Yaghoubi A.R, Rahbani N.M. Study of antioxidant enzymes, lipid peroxidation, lipid profile and immunologic factor in coronary artery disease in East Azarbijan. *Int J Med Biomed Res* 2012;1(2):147-152.  
doi: <http://dx.doi.org/10.14194/ijmbr.1210>

It was found out that a substantially similar version of this article had been submitted to, and published in *Journal of Cardiovascular and Thoracic Research*.

Fatemeh Khaki Khatibi, Alireza Yaghoubi, Nosratollah Zarghami, Mohammad Rahbani, Hossein Babaie. Evaluation of hs-CRP, antioxidant markers and MDA in patients of coronary artery disease (CAD) containing non-smokers and non-diabetics. *J Cardiovasc Thorac Res* 2011; Vol.2 (4):13-18.

The article has been retracted upon the request of the corresponding author, Khaki-khatibi F, due to admitted plagiarism.

However, this constitutes a violation of publication ethics. It is a breach of warranties made by the author with respect to originality upon which we received, peer-reviewed, accepted and published the article. To maintain scholarly record, the article will remain online; however, it would be watermarked on each page as RETRACTED. We offer apologies to our readers for not detecting this during the evaluation process.
