

TABLE OF CONTENTS

SECTION A: BUILDING, CIVIL AND GEOTECHNICAL ENGINEERING

Optimizing Compression Zone of Flanged Hollow Cored Concrete Beams Using Moment of Inertia Theory	O. Orié and B. Idolor	217
Assessment of Bagasse Ash Effect on the California Bearing Ratio of Used Oil Contaminated Lateritic Soils	J. A. Sadeeq, J. Ochepe and A. B. Salahudeen	223
Direct Method of Analysis of an Isotropic Rectangular Plate Using Characteristic Orthogonal Polynomials	F. O. Okafor and O. T. Udeh	232
Effect Crude Oil Contamination on the Compressive Strength of Concrete	S. O. Osuji and E. Nwankwo	240
The Production and Cost of Cold Patch Road Mats with Bitumen Extracted from Nigerian Tar Sand	F. F. Adebayo and Y. A. Jimoh	245
Effect of Sugar Cane Juice on Slump Values, Setting Times and Strength of Concrete	A. W. Otunyo, S. C. Onwusiri and N. Nwaiwu	254
Marine Water Effect on Compressive Strength of Concrete: Case Study of Escravos Area of Nigerian Delta	S. O. Osuji and E. Nwankwo	259
Influence of Molding Water Content on Shear Strength Characteristic of Compacted Cement Kiln Dust Treated Lateritic Soils for Liners and Covers	K. J. Osinubi, G. Moses, F. O. P. Oriola and A. S. Liman	266
Stochastic Assessment of Nigerian Wood for Bridge Decks	P. A. Owoeye and O. S. Abejide	272

SECTION B: CHEMICAL, INDUSTRIAL, MATERIALS, MECHANICAL, METALLURGICAL, PETROLEUM AND PRODUCTION ENGINEERING

Development of a New Drag Coefficient Model for Oil and Gas Multiphase Fluid Systems	K. O. Bello and K. I. Idigbe	280
Flowshop Scheduling Using a Network Approach	M. H. Oladeinde, A. I. Momodu and C. A. Oladeinde	286
Barrel Temperature Effects on the Mechanical Properties of Injection Moulded Plastic Products	J.O. Osarenmwinda and D. D Olodu	292
Chemical and Physical Comparative Study of the Effect of Wet and Dry Beneficiation of Kankara Kaolin	N. Salahudeen, A. Nasiru, A. S. Ahmed, M. Dauda, S. M. Waziri, P. C. Okonkwo and M. T. Isa	297
Modeling and Simulation of Coking in the Riser of an Industrial Fluid Catalytic Cracking (FCC) Unit	O. F. Olanrewaju, P. C. Okonkwo and B. O. Aderemi	301
Ballistic Performance of a Quenched and Tempered Steel Against 7.62mm Calibre Projectile	O. M. Sanusi and J. O. Akindapo	309

An Algorithm for the Design of an Axial Flow Compressor of a Power Generation Gas Turbine	A. I. Obanor, O. J. Unuareokpa and H. O. Egbware	314
---	--	-----

SECTION C: COMPUTER, TELECOMMUNICATIONS, SOFTWARE, ELECTRICAL AND ELECTRONICS ENGINEERING

The Impact of Distributed Generation on Distribution Networks	A. O. Ekwue and O. A. Akintunde	325
Standalone General Purpose Data Logger Design and Implementation	N. Bello, M. Ghraizi and S. O. Adetona	332
Implementation of Spatial Domain Homomorphic Filtering on Embedded Mobile Devices	U. A. Nnolim	342
Electromagnetic Radiation Exposure from Cellular Base Station: A Concern For Public Health	A. Ozovehe, A. U. Usman and A. Hamdallah	355
Performance Analysis of GSM Networks in Minna Metropolis of Nigeria	A. Ozovehe and A. U. Usman	368
Mean of Median Absolute Derivation Technique for Speckle Noise Variance Estimation in Computerised Tomography Images	M. C. Eze, O. N. Iloanusi, and C. C. Osuagwu	368
Mitigating Free Riding in Peer-to-Peer Networks: Game Theory Approach	M. O. Yahaya	375
Steady-State Performance of Induction and Transfer Field Motors – A Comparison	L. U. Anih, E. S. Obe and M. N. Eleanya	385
Minimization of Retrieval Time During Software Reuse	H. O. Salami	392

SECTION D: AGRICULTURAL, BIORESOURCES, BIOMEDICAL, FOOD, ENVIRONMENTAL AND WATER RESOURCES ENGINEERING

Assessing the Efficacy of Dissolved Ferric Chloride Conditioner on Dewaterability of Sewage Sludge	J. I. Obianyo	399
Selection of Biosorbents for Biosorption of Three Heavy Metals in a Flow-Batch Reactor Using Removal Efficiency as Parameter	I. C. Nwidi and J. C. Agunwamba	406
Promoting Integrated Water Resources Management in South West Nigeria: The Need for Collaboration and Partnership	A. Sobowale, J. K. Adewumi and O. A. Bamgboye	413
Regional Scale Assessment of the Gross Hydrokinetic Energy Potentials of Some Rivers in Lower Niger River Basin, Nigeria	L. L. Ladokun, K. R. Ajao and B. F. Sule	421
