In the version of this article initially published, Donkin A, Rodseth R, Giddy J. (2025), *A call for SASOP to review their position on the care of 'transgender and non-binary youth'* (https://doi.org/10.4102/sajpsychiatry.v31i0.2381)[1], the disclosure statements required updating. Following post-publication review, the disclosure statements have been amended to clarify the authors' affiliations and funding.

The amended Acknowledgements, Competing Interests, Authors' Contributions, and Funding Information statements appear below.

Acknowledgements

Instead of:
The authors would like to acknowledge First Do No Harm Southern Africa.

It should be:
The authors acknowledge membership of First Do No Harm Southern Africa.

Competing interests

Instead of:
The authors declare that they have no financial or personal relationships that may have inappropriately influenced them in writing this article.

It should be:
The authors, Allan Donkin, Reitze Rodseth and Janet Giddy are members of First Do No Harm Southern Africa. This is a non-financial affiliation. The authors declare no other competing interests relevant to this commentary.

Authors' contributions

Instead of:
A.D., R.R., and J.G. contributed in writing, reviewing and editing.

It should be:
All authors contributed to the conception and development of the article, drafted and critically reviewed the manuscript, and approved the final version for submission and publication.

Funding information

Instead of:
The authors declare that they have no financial or personal relationships that may have inappropriately influenced them in writing this article.

It should be:
The article processing charges were covered by Reitze Rodseth's research publication cost centre at the University of KwaZulu-Natal. The authors received no other financial support for the research, authorship, or publication of this article and have no financial relationships that may have inappropriately influenced the article.
